**COMMENTS OF THE JOSEPHINE COUNTY CORRECTIONAL FACILITY, OR**

We at the Josephine County Correctional Facility have some concerns about the proposed Billed Party Preference for long distance telephone calls. If FCC rules are changed as proposed, there are three specific areas that will adversely effect the management of our facility,

1. We will lose the ability to block numbers in the effort to control harassment of victims, witness and members of the Criminal Justice systems.
2. We will lose a vital revenue source, which funds needed rehabilitative programs.
3. The potential for fraud will again creep back into the systems.

Along with the major concerns stated above, we also see a problem with who is going to pay for all of these changes.

We are strongly oppose the BPP and encourage the FCC to exempt Inmate phone services.

Thank you.
